

Indian River Regional Science & Engineering Fair
Form 5 - Sample Abstract Format
5th Grade Form ONLY

The Abstract should look like the following:

TITLE, COMPLETE AND TYPED IN ALL CAPS
Last Name, First Name, Middle Initial
Indian River Regional Science and Engineering Fair, 5th Grade

The abstract is a summary of your project. Specific details of data are not necessary, however you do want the reader to fully understand your project. The body of the abstract should be no more than 250 words typed single spaced. It should include your hypothesis, procedures, results, and conclusions. Do not include your bibliography in the abstract.

Abstract Placement on Display Boards:

The abstracts should be displayed on the front of the board in the lower left-hand corner.
