

EDUCATION FOUNDATION  
OF  
INDIAN RIVER COUNTY  
OPENING DOORS TO STUDENT SUCCESS

August 18, 2017

Dear Friend of the Foundation,

As a previous donor to our Education Foundation, you have made a positive impact in the lives of the children we serve! Thank you!

Today, the Education Foundation of Indian River County is inviting you to be one of the first to see the NEW American Icon Brewery! This is the beautiful, interesting new venue housed in the "old diesel" plant at 1133 19th Place, Vero Beach, FL 32960.

Our unique event, "Read, Write & Brew," will be the first occasion at American Icon Brewery. It will be held on Thursday, October 26, 2017 from 6:00 p.m. – 9:00 p.m.

Please consider being a sponsor! As an event sponsor, you will have an, "All Access Pass," to this event that will feature 2 parties – on the same night – at the same time:

- The V.I.P. Party: Guests will enjoy a special glass elevator ride to the Tap Room on the Mezzanine level. There they will enjoy the great views of the new brewery and adjacent lawns. An open beer and wine bar, multiple AIB signature Hors D'oeuvres, prize drawings and a special presentation of, "The Story of the Brewery," will be shared by AIB owner, Mike Rechter. The event will also feature the Foundation's programs of impact.
- The Great Lawn Party: This open-air party will take place on the north side of the brewery and will offer 2 drinks, hot pretzels, beer cheese, calamari, the music of "Minglewood," lawn games and a raffle.

Your generous support will expand our programs of impact: STEP into Kindergarten, Algebra Counts 2, the Indian River Regional Science & Engineering Fair, and Innovation Grants to schools.

Please join us in advancing our mission to enhance our community's investment in children with the goal of achieving school excellence for all our children.

Sincerely,

  
Cathy Filusch, President &   
Wanda Lincoln, Vice Chair
