*(scan and email this completed form to [Patrick.Hiser@indianriverschools.org](mailto:Patrick.Hiser@indianriverschools.org) by September 30, 2021)*

School Name: \_\_\_\_\_  
 Science Coordinator: \_\_\_\_\_  
 Coordinator Phone: \_\_\_\_\_  
 Coordinator e-mail: \_\_\_\_\_

This is to verify that the above school agrees to participate in the 30<sup>th</sup> Annual Indian River Regional Science and Engineering Fair: A Stem Competition

**In accordance with this agreement, a representative from our school will:**

- Participate/communicate with Education Foundation in the facilitation of the IRRSEF
- Attend two (2) IRRSEF workshop training sessions :  
 Aug. 31<sup>st</sup> - Elementary 4pm @ SGMS  
 Sept 2<sup>nd</sup> - Secondary 4pm @ SGMS  
 January 11<sup>th</sup>- Elementary & Secondary 4pm @SGMS
- NEW** - Elementary Coordinators will instruct teachers on the importance of correct project type identification and will be responsible for ensuring all projects submitted to the Regional Fair are assigned and labeled with the correct project type (Entire Class, Class Group, Individual Student or Student Team)
- ALL** Final student folders and paperwork are due by December 15, 2021.
- Check all paperwork for accuracy, completeness and spelling, to avoid disqualifying the students at the Regional level. No “back-dating” projects.
- Science Coordinators must serve as volunteers for the Regional Fair, January 28th - January 29, 2022.
- Elementary Science Coordinators must attend awards/recognition ceremony on February 1, 2022
- Secondary Science Coordinators must attend awards/recognition ceremony on February 3,2021
